Re: Docket No. 2013-168-WS – Petition of the ORS to Request an Order
Requiring Tega Cay Water Service, Inc. to Provide Adequate and Proper
Service

Dear Mr. Dong:

Tega Cay Water Service's prefiled direct testimony is presently due on July 8, 2013, in the above referenced docket. The holidays are causing some problems with the availability of our witnesses to prepare testimony, and Tega Cay is requesting a one-day extension to prefile its testimony. We would propose also moving the deadlines for rebuttal and surrebuttal back one day as well. I have consulted with Jeff Nelson, and the ORS does not oppose this request

Upon your approval the timeline for filing would change as follows:

- a. All other parties of record must prefile with the Commission 1 copy of the direct testimony and exhibits of the witnesses they intend to present and serve the testimony and exhibits of the witnesses on all Parties of Record on or before **July 9, 2013**, (must be post-marked on or before this date); and
- b. ORS must prefile with the Commission 1 copy of the Rebuttal testimony and exhibits of the witnesses it intends to present and serve the testimony and exhibits of the witnesses on all Parties of Record on or before **July 16, 2013** (Rebuttal testimony and exhibits must be in the offices of the Commission and in the hands of the parties on this date.); and
- c. Parties filing Surrebuttal Testimony must prefile with the Commission 1 copy of the testimony and exhibits of the witnesses they intend to present and serve the testimony and exhibits of the witnesses on all Parties of Record on or before **July 23, 2013**; (Surrebuttal testimony and exhibits must be in the offices of the Commission and in the hands of the parties on this date).

Thank you, as always, for your consideration in this matter.

With best wishes, I am,

Sincerely yours,

A handwritten signature in black ink, appearing to read "Charles L.A. Terreni". The signature is fluid and cursive, with a large initial "C" and a stylized "T" at the end.

Charles L.A. Terreni
